

IN ADDITION TO YOUR COLONOSCOPY PREPARATION, YOU MUST TAKE AN EXTRA LAXATIVE TWO (2) DAYS PRIOR TO YOUR PROCEDURE.

Patient Name: _____ Doctor: _____

Begin this prep on: _____ Procedure Date: _____

PICK UP FROM THE PHARMACY:

1. One (1) bottle of Magnesium Citrate – any flavor as long as it is clear, with no dye added. This is available over the counter without a prescription.

TWO DAYS PRIOR TO YOUR PROCEDURE:

1. Eat as usual.
2. No later than 7:00pm, drink one (1) bottle of Magnesium Citrate.

If you have any questions or concerns, please do not hesitate to call our office.
